

# Economic Impact Payment (Recovery Rebate Credit)

In 2020 most taxpayers received a Federal “Stimulus Check” or “Economic Impact Payment” from the Federal government for the 2020 tax year. As your tax preparer we are required to reconcile your payment to determine if you are owed any additional payment, but it is difficult for us to determine any amount you may have received.

You should have received IRS Notice 1444 a few days after your **first** 'stimulus' payment and IRS Notice 1444-B after the **second** 'stimulus' payment. Many people have misplaced these letters, so we are asking you to provide us with the amount below.

## **Round 2 Stimulus**
